Parent/Teacher Conferences

As a reminder, Parent/Teacher conferences are running next week (December 7th-11th). Information should have come from your Child's teacher. We are following the same guidelines established by the WHSAA, and Uinta County in requiring masks are worn the entire time you are in our school building for conferences.

Report Cards will be shared via the Powerschool parent portal mid-week next week. If you are having trouble logging in, please contact Sherri Stucki at stuckis@uinta4.com or call her at the high school. Please remember to print it or save it as a pdf, it will only be there for a short amount of time.

Other Important Info

Students and Masks: We are still asking that students bring their own masks every day to school. As a district we do have some disposable masks available for those rare times that a mask is forgotten, misplaced, or becomes dirty here at school. Unfortunately, we do not have enough masks on hand to provide a new one to students every day. We have seen an increase in students asking for a new one each day. Please help us with our supply by ensuring your student has their own mask every day.

Water Bottles: Along with masks we are asking students to bring their own water bottle as well. We have water bottle fillers installed on all of our drinking fountains accessible to students. We will no longer be able to provide water bottles to students who forget. We will have small, disposable cups available for those times when a student forgets, but they will only be able to get drinks at specified times throughout the day.

We appreciate your support in these areas during this unique year. Thank you!

REMINDERS

- * Please remember to complete the Health Ed Wellness screening each morning. A link is on our website under Quicklinks on the right hand side
- * If your child needs to come home in a way that is different from their usual way, please call the school by **2:40** to ensure they receive a note

Upcoming Events

12/4 End of 1st Trimester
