Thank You

As the school year winds down, I want to make sure our students and families know how much we appreciate the hard work and dedication that have gone into this school year from each of you. We know there were things that were inconveniences for sure, but we appreciate the support you have given to our school and district to make it all work. We had in-person learning for the entire school year! Not many schools/districts can say that. I want to say a huge Thank You for helping us make that happen. We couldn't have done it without the students great efforts, and your support. Enjoy the well deserved summer break!

WYTOPP and MAP Testing

I also appreciate how hard our students have worked during this past few weeks as we have completed our state testing, WYTOPP, and our MAP testing. These assessments are rigorous, and our students did a great job ensuring they did their best work.

Upcoming Events

5/25 2nd & 3rd
Grade Field Day

5/26 Kinder & 1st
Grade Field Day

5/27 4th & 5th
Grade Field Day
