## November Info

I wanted to thank all of you for your support during our Halloween costume parade last week. The weather cooperated and it really worked well to be able to have the space outside. This honestly is how we will look to do this in the future.

November is upon us and we are in the final stretch of our first trimester of learning here at MVE. We will be looking at Parent/Teacher conferences during the second week of December. More info on how that will look will come towards the end of this month. As of now we are planning to have in-person conferences.

As the weather gets colder, I wanted to remind you to please help your child/ren dress appropriately for the weather. We are seeing a lot of kids wearing coats in the morning, but then leaving them on the playground because it warms up as the day goes on. We do our best to get all of the items back to their owner, but like every year, we are already seeing our lost and found pile grow. Please take some time to put your child's name on their coats etc... If your child is missing items, please have them talk to their teacher and they will let them look through the lost and found items.

Again, I want to thank all of our students (and their parents) for the way they have handled the changes this year. They do a great job wearing their face coverings appropriately. One request I have is to ensure your child brings a water bottle that they can refill each day. They need to be able to drink water throughout the day. We are giving them multiple opportunities to fill them throughout the day. We do have a limited supply of disposable water bottles because we know that life happens and students forget at times. Thanks for everything you are doing to support your children and to support our staff!

## Turkey Trot

We will be holding our annual Turkey Trot for our 3rd, 4th, and 5th graders on Thursday, November 12th @ 2:00. Specific information has already, and will be coming from Mr. Madsen regarding this event. Parents will be allowed to come to the playground area to watch. Please come straight to the blacktop area utilizing the fire lane on the North, and the gate near the cell tower off of Willow Street. We ask that you not arrive prior to 1:50, and to please wear an appropriate face covering while at the event. Certificates for turkeys and pies will be given to students with the top times.

## Title I Parent Involvement

All students received a book on October 29th for them to take home. Along with that book, each class did an activity to go along with that book, and then an activity came home for each family to do together. This activity directly correlated with the activity they did in school. I encourage you to do this activity with your child/ren if you haven't already.

The following url address will take you to our District policy on parental involvement procedures. Take a look at it and if you have any feedback or questions please let Mrs. Kim Dolezal know. You can reach her at [dolezalk@uinta4.com](mailto:dolezalk@uinta4.com)

### A Huge Thank You!

A big shout out to our custodial, maintenance and food service staff for the great job they have done to ensure our school is sanitized and ready to go each day. It has always been a big job, but they have also taken on extra responsibility this year. It takes a lot of time to be ready for lunch and everything else that goes on in our day to ensure physical distancing and extra sanitizing measures.

NEVER LET THE FEAR  
OF STRIKING OUT,  
keep you from  
playing the game
