Thank You/s

1. Thanks for helping your children be ready for WYTOPP testing. Students worked hard and were willing to put in the time necessary to do their best.
2. We had an awesome turn out for our 3-8 Art Show last week. The students were able to showcase some great work. We have awesome talent! A shout out to Mrs. Randi Egley for helping students to be ready for this event.
3. As we begin to wind down another school year here at MVE (I can't believe it is May already), I want to thank you for the support you give your children, as well as our staff. We couldn't do the great things that we do here at MVE without great students and parents.
4. Thanks for always supporting our students, staff, and our school.

Mr. Erickson

Info for June 2nd (Student's last day)

June 2nd will be an early release day. Students will be released at noon that day. If you are picking your child up, please plan to be in the loops or parking lot at this time.

"I follow three rules: Do the right thing, do the best you can, and always show people you care. You've got to make a sincere attempt to have the right goals to begin with, then go after them with appropriate effort, and remember that you can't really achieve anything great without the help of others"

It is always a fun and memorable event for our seniors.
