Thank You's

We are one week down in the school year. Thanks to all of you as parents/guardians for helping us to get off to a great start! Getting back into the routine of school can be hard, but with your support the students have done a nice job transitioning from summer. MVE truly thanks you for your support and encouragement.

I want to thank our custodial and maintenance staff who did a fabulous job once again ensuring our school and grounds were ready for another school year. Their work is definitely unappreciated at times, but our school looking as nice as it does sets the atmosphere for learning.

Thank you to our teachers and the rest of the MVE staff members for the work they put into preparing for not only our first day of school, but also to ensure we get off to a great school year. The work they do each day helps to ensure the best education for all of our students.

Thank you students, for coming ready to do your best each day. You are what it is all about in our school, and MVE appreciates your great attitudes and effort.

Thank you to all!!!

Upcoming Events

9/4 No School,
Labor Day Holiday

9/8 No School, Staff
Dev

9/15 No School

9/19 & 21 Picture
Day

9/29 No School,
Staff Dev

10/6 No School, Fall
Break

Reminder: If your child needs to come home in a different way than their usual way, call the office by 2:40 to ensure a note can be given to your child.

Please check our district calendar on uinta4.com for up to date information.

Important Safety Reminders

- * The lane to the South of our school and playground is considered an emergency lane during school hours. While the buses are there, it is a bus lane, and other vehicles should not use this as an exit at that time (at minimum 7:45-8:00 and 3:00-3:25). This lane is never an entrance.
- * Please utilize our parent loops as often as possible for dropping off or picking up students. This lane is efficient when used correctly. Please use the left lane to exit, and the right lane to drop off/pick up. Please keep moving forward to fill gaps and exit as soon as safely possible after picking up/dropping off your child. After school, please wait for your child outside of the school. This helps us maintain a secure and safe learning environment through the end of the day.
- * Doors do not open until 7:45. We ask that whenever possible students not be dropped off before this time.
- * As much as no one wants to be reminded of this, please ensure your child/ren are dressed appropriately for the weather each day.

Powerschool Registration

As a reminder: Students are required to be registered in PowerSchool **each year.** This is an annual process that needs to be completed. Please ensure you review all information and update phone numbers, addresses, emails etc.... This will give us the most up to date information in case we need to contact you. As a reminder most of our communication will be through Swift Alert (texts and emails), and if we don't have your updated info, you may miss some important information. As a reminder: Emergency contacts are individuals you would like us to call after we have tried you as the parents/guardians. If you have any questions or problems with the registration, please contact Jolene Schnackenberg at the high school at schnackenbergj@uinta4.com. This registration needs to be done from the parent portal and cannot be completed on a cell phone.

School Pictures

School pictures for MVE will be taken on the following dates:

- * Tuesday, September 19th for Kinder, 1st, 2nd, & 3rd
- * Thursday, September 21st for 4th, 5th

Pictures are used as an ID photo. Hats, sunglasses, etc... are not allowed.

Lost and Found

Each year we have many items left in our lost and found and we end up donating these items. Even though students are given opportunities to look through items, they don't always recognize the items that belong to them. MVE encourages families to **write names** in jackets, lunch boxes, on water bottles etc.... This will help to ensure a student gets their items back when misplaced.
